SUMMARY

Creative Visual & Motion Designer with a strong track record crafting visually compelling designs and dynamic motion graphics for corporate branding, TV/film advertisements, and digital media. Expertise spans technical illustration, video editing, character development, and animation, alongside hands-on proficiency in **AI-driven video generation** — using tools like **Firefly**, **Veo**, and **Higgsfield** to accelerate concept-to-delivery timelines without compromising creative quality. Proven collaborator, skilled at working closely with directors, project managers, and creative teams to deliver high-impact projects on time and on brand. Passionate about blending traditional motion craft with emerging generative workflows to push creative boundaries. Seeking to leverage this evolving skill set in a dynamic environment, working with prestigious clients to drive innovation and elevate visual storytelling.

EXPERIENCE

Senior Graphic Designer

Cybage software | April 2022 – Present

- Craft high-impact **motion graphics** and visuals that simplify complex business, tech, and branding concepts into compelling communications.
- Developed **seamless transitions, VFX, and compositing** to integrate live-action footage with animated elements.
- Drive **user-centric design** through deep audience research, persona development, and agile process integration to enhance product functionality.
- **Collaborate cross-functionally** with marketing, product, and engineering teams to ensure design alignment with business goals and technical feasibility.
- **Mentor junior designers**, providing constructive feedback and fostering a culture of creativity, innovation, and continuous improvement.

Creative Associate

Toppr technologies | Oct 2021 – March 2022

- **Directed creative teams**, aligning animation style with client vision.
- Spearheaded **brand design guidelines**, leveraging color theory and customer insights to ensure cohesive, on-brand visual storytelling.
- **Conducted A/B** testing on ad creatives, improving engagement rates by **25%** through data-driven design refinements.

Visual Designer

Medvarsity Online | Oct 2017 – Dec 2019

- Produced **award-winning medical e-learning content**, transforming intricate procedures into engaging **2D/3D motion graphics** for doctors and healthcare professionals.
- Designed high-conversion **digital ads** and kiosk displays for hospitals, earning Employee of the Year (2018) for template innovation and brand consistency.

Motion Graphic Designer (Intern/Fulltime)

Whatastory | July 2016 – Oct 2017

- Developed concepts, storyboards, and animations to distill complex ideas into visually striking motion graphics for businesses and artists.
- Pioneered a **trendsetting lyrical video style** in Telugu music, tripling company revenue and securing recurring high-profile projects.
- Built and managed an **internal visual library** (style guides, templates) to streamline production and maintain brand integrity.
- **Introduced kinetic typography techniques**, enhancing storytelling impact and setting a new benchmark for regional music videos.
